### From The President

Happy July!

In six months we have gone from 3 feet of snow to triple digit temperatures!!

Although the extreme heat has kept some customers indoors and not out shopping, I do think things are picking up and hopefully will continue to do so.

We have a good meeting planned for July 14<sup>th</sup>. Our Commissioner of the Revenue will be at the meeting to give us the first quarter reports. Larry Hughes, our City Manager, will also be on hand to talk about the results of the Mayor's Round Table Breakfast held in May. Both should be very informative.

We are working on many exciting ideas for Old Town. We would like to form some committees to work on projects, so if you have an interest in this, we will have a sign-up sheet at the meeting.

We are planning a scavenger hunt, an Old Town picnic, a Hylton Performing Arts Center "passport" to Old Town and many more ideas.

We do not have a meeting in August, so please make an effort to be at our July meeting. Bring your ideas. Together we can make OTBA the best it can be and really get customers into our shops and restaurants on a daily basis.

Joanne Wunderly,  
OTBA President

### Annual Fall Gallery Walk

Plans are now underway for the 11th Annual Fall Gallery Walk which will be held the evening of November 5, the first Friday in November. Any merchants who are interested in participating should contact either Mike Flynn of *Art Beat*, or Mary Reilly of *Creative Brush Studio*.

The Annual Spring and Fall Gallery Walks have been a popular event for people visiting Old Town Manassas.
